# General Information

## General Information

- All program and activity participants must sign a waiver (parent/legal guardian must sign for participants under the age of 18).
- All photographic, video or digital images taken by the CMPD staff become the property of the CMPD. Those wishing not to be photographed must notify the Executive Director in Writing. Fitness Center ID Cards require mandatory participant photos.

## Policy Statement

It is the CMPD's goal to provide safe and enjoyable recreation activities for all ages, regardless of age, race, creed, marital status, physical/mental limitations, or gender. It is the intention of the district to develop, plan, implement and administer a comprehensive loss prevention program. Public and staff safety is our greatest responsibility and in our assignments the health and safety of all are of the utmost consideration. This policy has been established to emphasize that effective loss-prevention is an integral part of management procedures to fully utilize the district's capital and personnel. Although profit is not a district goal per se, the same efficiency is desired to ensure maximum usage of each tax dollar.

## General Park Rules

THINK SAFETY FIRST! If you find a piece of broken equipment, please call (708) 868-2530 #128 and let us know so we can correct any unsafe conditions. When visiting a park, please use common courtesy for the other participants and area residents. No loitering, profanity or gang activity of any kind will be tolerated. No alcohol, glass, littering, fireworks or golfing allowed.

Pets must be leashed. Do not allow your pet into playgrounds, food areas, walking tracks or ballfields. Always clean up after your pet. Driving unauthorized motorized vehicles through parks is strictly prohibited.

All city, state and federal laws apply and will be enforced. Persons causing property damage will be prosecuted and made responsible for restitution. Parks close at dusk except for scheduled evening activities. Failure to obey park rules could result in suspension from park property and programs.

All photographic, video or digital images taken by the CMPD staff become the property of the CMPD. Those wishing not to be photographed must notify the Executive Director in writing. Fitness Center ID Cards require mandatory participant photos.

## **Vandalism**

The CMPD takes pride in the beauty and safety of our parks. However, each year our efforts are marred by vandalism, which takes its toll through higher costs of maintenance, repair and clean-up. Residents who observe vandalism are asked to call (708) 868-2530 ext #128.

## **Liability**

The Calumet Memorial Park District assumes no responsibility for personal injury or loss of personal property while participating or attending a CMPD-sponsored program or facility. No medical or accidental insurance is provided.

## **Americans with Disabilities Act**

No one will be discriminated against on the basis of a disability. The district strives to assure equal access to all. Reasonable accommodations in recreation programs and leisure services will be made for persons who meet the essential eligibility requirements of that activity. If you have any questions or special concerns, contact Hollice Clark, Executive Director, at (708) 868-2530 ext #131.

## **Registration**

Registrations are processed on a first come first serve basis. Early registration recommended.

# LETTER FROM THE BOARD PRESIDENT

Hello Friends!

One of joys of being the President of the Board of Commissioners is to be a part of the history which the Calumet Memorial Park District creates. And I'm particularly proud to be a part of this once-in-a-lifetime event, the CMPD's 100 year Centennial!

As a Calumet City resident born and raised, I've been a 'park kid' all my life... maybe not for all of these one hundred years, but more than a few of them. I've seen the park district grow to meet changing times, and in particular these past few years, face unprecedented challenges. But our credo remains the same now as it was when it was first declared in 1922: "PARTICIPATION FOR ALL!"

As you turn the pages in this book, you'll see that we're living up to that principle, with programs for all ages. I encourage you to give a program a try, particularly if it's an activity you've never done before. After all, if the pandemic has taught us anything, it's that life is precious, and we ought to fill it with as many new experiences as we can. Yet even if you don't take a program, I hope you at least come out and enjoy some of our many park sites, the Family Fun Center at Memorial Park, and the Burnham Greenway Trail.

And let me extend an invitation to all to help celebrate our anniversary at our Centennial Celebration on Sunday, July the 3rd. You'll find full details elsewhere in this program guide.

Lastly, let me thank each of you, one and all, for your continuing support of the Calumet Memorial Park District. Without you, we simply wouldn't be here. You are the heart of the history we've made this past century, and in this centennial year, we celebrate YOU!

Randy Velasquez  
President, Board of Commissioners

# LETTER FROM THE EXECUTIVE DIRECTOR

Hello Calumet City!

My name is Hollice Clark III and on February 1, 2022, I started my new position as the Executive Director of the Calumet Memorial Park District. I am excited to have the opportunity to lead a great organization and looking forward in meeting each of you at our programs and events. For the past 15 years I have been an Executive Director at another agency. In addition, I have a Bachelor of Science degree in political science and business administration and a master's degree in public administration.

In visiting with the participants these last few weeks, the one question that has been asked is when will Sandridge Community Center reopen. The district is currently working extremely hard to bring this facility back online. As you may know, the fire caused extensive damage to the facility. Currently, construction is under way, and we are looking for a late Fall reopening of the facility. As we get closer to opening, we will be announcing a grand reopening of the facility. However, please know that our swimming pool is currently open for morning swim, and we be offering swimming lessons this summer.

This year the district will be celebrating its 100th year of serving our residents. The district is planning to celebrate on July 3 at Memorial Park. I would invite each of you to come out and enjoy the day. Details can be found inside of the summer program brochure.

Please take a few minutes and review the programming and events that are in this brochure. Staff is working hard to provide program and events for the community. I would personally challenge each of you to enjoy your parks and the recreation opportunities that your park district provides. As you visit our parks, please help us to keep them clean by picking up and placing garbage in the appropriate receptables as our maintenance staff works extremely hard to keep our parks clean for your visit. Neal Donald stated, "If you want the best the world has to offer, offer the world your best." As your Executive Director I am planning to give you, my best. If you have any questions, concerning programs, facilities, or general park district questions, please do not hesitate to contact me at [hollice@mycmpd.com](mailto:hollice@mycmpd.com) or call 708-868-2530 x131.

# YOUTH PROGRAMMING

## KIDS COOK

**Ages:** 6-14 years old

Cooking is a valuable life skill that is getting harder to come by. This class teaches your children that “real food” tastes good too and we need it for strong, healthy bodies and brains.

We do it because the best way to get kids loving real food is to get them in the kitchen measuring, chopping, touching, smelling, and tasting. Join this class one bite at a time.

# CENTENNIAL

## “To Do the Greatest Good”

In 1921, the residents of West Hammond (soon to be renamed Calumet City) and Burnham wanted to commemorate its citizens who had served in the recently ended (First) World War. But rather than erect a statue or a fountain, as so many other communities across America were doing, the citizens instead decided to form a park district, which would serve as an ever-growing, ever-changing, and everlasting monument. On October 21, 1921 a referendum to establish a park district was overwhelmingly passed by the residents.

The first park, dubbed Memorial Park, was established for the Calumet Memorial Park District's official launch on November 11, 1922 (Veterans Day), and Burnham Park was created shortly thereafter. Over the course of the next hundred years, the CMPD would establish some two dozen other park sites as its constituency (encompassing all of Calumet City and Burnham, as well as the Eastern portions of Dolton and South Holland) grew, and what had been largely farmlands and marshes were born anew with houses, businesses, and roadways.

Upon its founding, the Park District's motto was declared as “Participation for All”, and we have certainly strived to live up to it, offering programs, events, and facilities for all ages. Understanding the vital necessity of recreation and relaxation for the health and well-being of everyone, our very first Park Board of Commissioners proclaimed that the goal of the CMPD will forever be “To Do the Greatest Good”, and to provide quality recreation for all regardless of age, gender, race, or economic status.

Over the course of the last century, we have seen the Calumet Memorial Park District reflect our community...growing and evolving, as well as caring and compassionate...and as we reach our historic centennial, we are proud to say that we continue not only as a memorial to the brave men and women who have served in times of war, but we have also become a testament to the vibrant resolve of our community itself. Join us as we proudly leap into our second century, forever striving to do the greatest good!

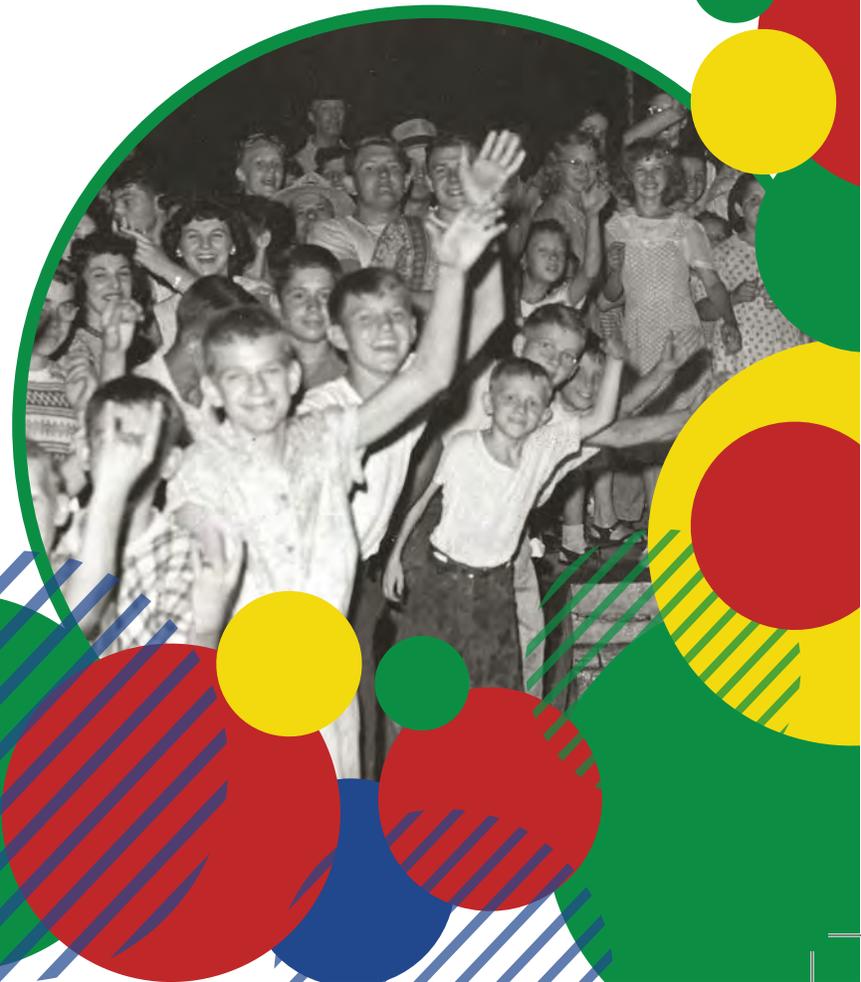

A decorative border surrounds the page, featuring various colored circles (red, blue, green, yellow) and stripes (blue and white, yellow and white) in different patterns and sizes.

## CENTENNIAL CELEBRATION
