Sandridge Community Center is back! The Calumet Memorial Park District is excited to announce the rebirth of Sandridge Community Center. Due to a fire in 2021, Sandridge was closed. The 2021 fire caused extensive smoke damage, prompting a \$4.2 million dollar restoration and updates to the facility. The dedicated staff and Executive Director worked diligently to ensure that the facility was repaired and updated within the budget parameters. The District, its staff, and the District’s Board of Commissioners sincerely thank the residents of the Calumet Memorial Park District for their patience while the repair and updates were being made to the facility. With the reopening of the Sandridge Community Center, the District is excited to offer state-of-the-art fitness and pool facilities as well as programs and activities for all ages. As my servitude ends, I am overjoyed to see the growth in this community and welcoming you all back to Sandridge!
